

## COMMITMENT TO CHILD SAFETY

MEGT is committed to child safety. We want children to be safe, happy and empowered. We are committed to the safety, participation and empowerment of all children. We support and respect all children, as well as our staff and other stakeholders.

MEGT has zero tolerance of child abuse, and all allegations and safety concerns will be treated very seriously and consistently with our robust policies and procedures. We have legal and moral obligations to contact authorities when we are worried about a child's safety, which we follow rigorously.

MEGT is committed to preventing child abuse and identifying risks early, and removing and reducing these risks. We have robust human resources and recruitment practices for all staff and other stakeholders.

MEGT is committed to training and educating our staff and apprentices and trainees on child abuse risks.

MEGT supports and respects all children, as well as our staff and apprentices and trainees. We are committed to the cultural safety of Aboriginal children, the cultural safety of children from culturally and/or linguistically diverse backgrounds, and to providing a safe environment for children with a disability.
